India's first
Wellness Homes

The most coveted
neighbourhood in Thane

Residences cradled in
a lush ecosystem

Mindfully
designed amenities

SEREIN IS MORE THAN A RESIDENTIAL ADDRESS.

It's the epitome of luxury living.

Serein is set to become the center of new luxury by bringing together a rare combination of contemporary design, natural greenery and thoughtful amenities in surroundings that are private, yet well connected to daily urban life.

Malabar Hill. Now yours to own in Thane.

Serein is enviously located on Pokhran Road 2, Thane (W) - 400 610 often referred to as the Malabar Hill of Thane, and it's no surprise why. The green cover of Hanging Gardens is similar to the sprawling expanse of Sanjay Gandhi National Park framed by views of the Yeoor

Hills. Life at Serein is equally luxurious as you are surrounded by affluent neighbours at a well-connected address within an environment designed to please and amenities created to pamper.

THE MOST COVETED NEIGHBOURHOOD IN THANE

Your green carpet. Welcome to India's First Wellness Homes.

There's much to impress you at Serein besides the engineered glass towers designed to maximize natural light and ventilation. Your surroundings are a lush ecosystem sustained by rainwater harvesting and solar energy. The gardens are organic. The podium, traffic free to reduce pollution. The showers in your

bath are induced with Vitamin C for healthier hair and skin. The paints used in your home are odour-free. There is nothing at Serein that is not caringly detailed to enhance your life while preserving that of the natural environment.

Residences that come with
the city's most rare luxury - space.

There are many reasons to come here.

Even more to never want to leave.

You will always find something new to discover around Serein. The amenities never seem to end. From nature trails and organic gardens for tree huggers to jogging tracks and sports courts for fitness enthusiasts, there is something for everyone. Charming sit-outs, outdoor dining areas, swimming pools, indoor games, yoga room, children's play area. The list goes on and on. And on.

Partners

Architect: Edifice Consultants Pvt. Ltd.

Edifice is a team in excess of 200 design professionals in 7 cities inclined towards making the world a better place to live and work. Their designs evolve organically resulting in a unique solution for every client. Starting with Corporate and Residential interiors 23 years ago, Edifice has expanded into different verticals over the years, working with almost all the leading companies in India having delivered over 800 projects across India, Shanghai, Hangzhou, Manila and London.

Tata Housing's foray into Thane could not have been designed better as the team from Edifice knew the location and the area very well and could interpret our philosophy while designing a futuristic project that still could be inherently called Thane.

Landscape Consultant: Salad Dressing

Salad dressing is a Singapore based landscape designer specializing in tropical landscapes. The company's founder,

Chang Huai-yan worked in Bali before setting up Salad Dressing in 2002 and developing his unique interpretation of tropical landscape design. The company focuses on the new relationship between plants and humans in an urban condition stressing on the three main components of this new relationship: the habitat, the pollinator and the plant. Chang Huai-yan's unique philosophy of creating landscapes that have a relationship between nature and people is in line with the philosophy of Serein as a project.

Construction Partners

Tata Projects Ltd. is one of the fastest growing and most admired infrastructure companies in India. It has expertise in executing large, complex industrial and urban infrastructure projects. The company operates through four strategic business units - industrial infrastructure, urban infrastructure, quality services and utility services. It provides turnkey end to end solutions to set up power generation plants, power transmission & distribution

systems, fully integrated rail & metro systems, commercial buildings & airports, chemical process plants, water & waste water management solutions, complete mining & metal purification systems.

Engineering excellence, supply chain expertise and construction management are its key strengths. The company is driven to deliver projects 'On-Time' using world class project management techniques and has uncompromising standards of safety and sustainability.

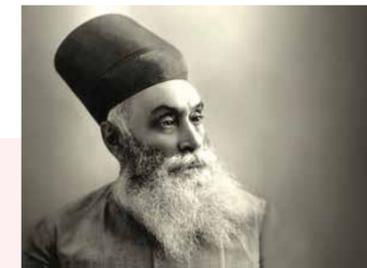

Strategic Partners

The U.S. Green Building Council (USGBC) and its certification body Green Business Certification Inc. (GBCI), announced a strategic partnership agreement with Tata Housing, one of India's fastest growing real estate development companies.

About Tata Group

JAMSETJI NUSSERWANJI TATA
(1839-1904)

Leadership with trust

The Tata Group's core purpose is to improve the quality of life of the communities it serves globally, through long term stakeholder value creation based on leadership with trust.

As a result of this unique ownership structure and ethos of serving the community, the Tata name has been respected for more than 140 years and is trusted for its adherence to strong values and business ethics.

Founded by Jamsetji Tata in 1868, the Tata group is a global enterprise headquartered in India, and comprises over 100

companies, with operations in more than 100 countries across six continents, exporting products and services to over 150 countries.

The revenue of Tata companies' altogether was \$103.5 billion in 2015- 2016, around 67 percent of this being contributed from businesses outside India. Tata companies employ over 600,000 people worldwide.

Good corporate citizenship is part of the Tata group's DNA. Sixty six percent of the equity of Tata Sons – the promoter holding company, is held by philanthropic trusts, which ensures that wealth is returned back to the society.

As a result of this unique ownership structure and ethos of serving the community, the Tata name is respected since over 140 years and is trusted for its adherence to strong values and business ethics.

Moving forward, Tata companies are building multinational businesses that seek to differentiate themselves through customer-centricity, innovation, entrepreneurship, trustworthiness and value-driven business operations, while balancing the interests of diverse stakeholders including shareholders, employees and civil society.

Why Tata Housing?

Tata Housing has evolved into the most trusted real estate development brand in India. With our company's focus on developing residential, commercial and mixed use projects across India, we have emerged as one of the fastest growing real estate companies in India. Our portfolio spans across the entire value chain from affordable to ultra-premium properties. The company has received various industry recognitions both in India and internationally for its landmark projects and contribution to the real estate sector.

Tata Housing Values

The TATA Group has always sought to be a value-driven organization. These values continue to direct the group's growth and businesses. The seven core TATA values underpinning the way we do business are:

Customer Focus

Driving customer centricity in the organization, internal and external customer and supplier relationship.

Innovation

We focus on differentiating our products and services to ensure first recall in our customer's mind. We believe in deriving a competitive edge in products, processes and services led by customers, employees and other stakeholders.

Agility

Rapid response towards customers and other stakeholder needs. This includes changing our course of action or direction when required.

Quality

Assure quality as per requirements to delight stakeholders.

Leadership

To aspire for industry leadership in design and innovation. We aim to create a benchmark in our category and be the market leader.

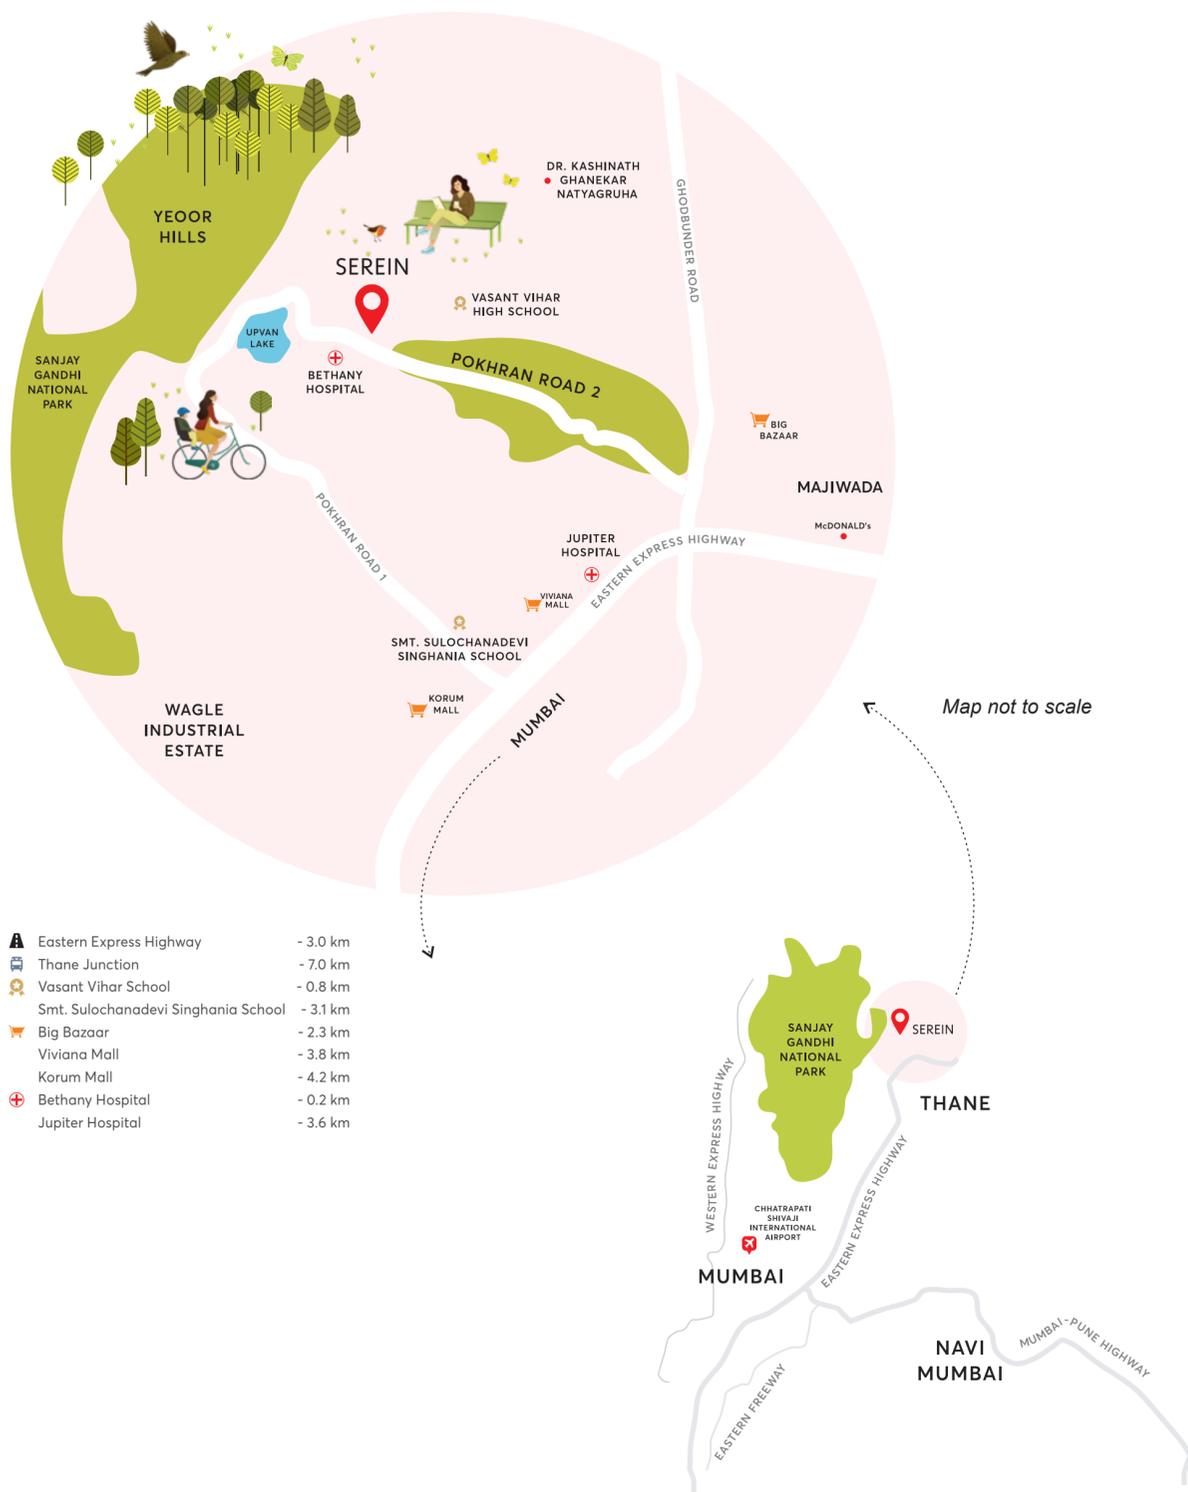

Integrity

We conduct our business fairly, with honesty and transparency. Everything we do must stand the test of public scrutiny. Decisions must be based on facts. Our work demonstrates the highest level of professional conduct.

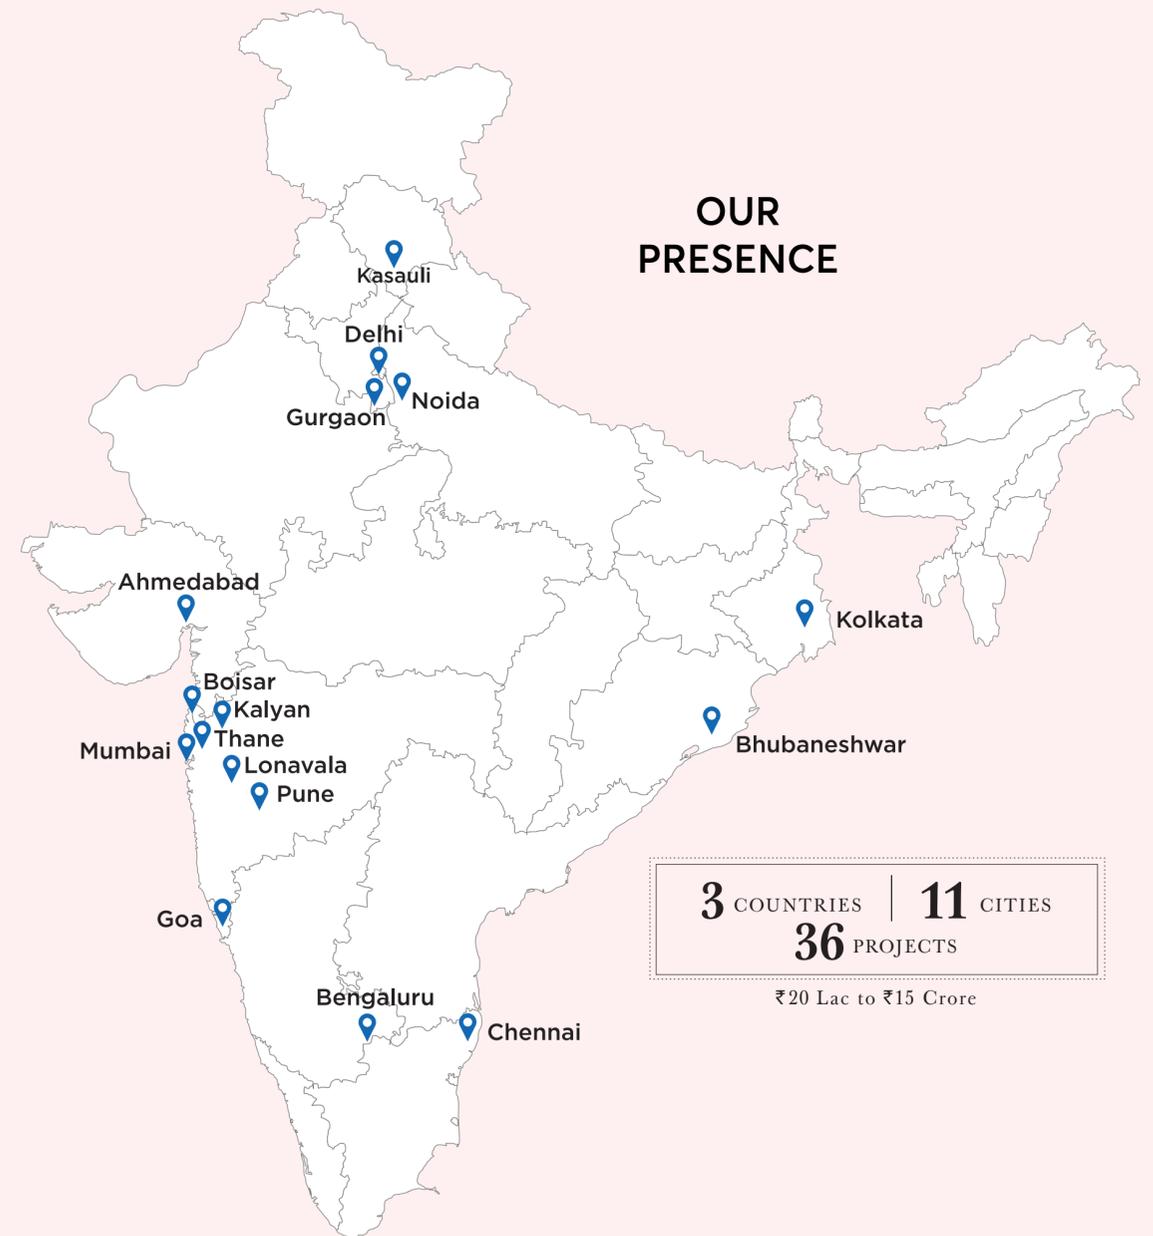

Purpose

At the TATA Group, our purpose is to improve the quality of life of the communities we serve. We do this through leadership in sectors of national economic significance, to which the group brings a unique set of capabilities. This requires us to grow aggressively in focused areas of business.
